Dear Pete:

This letter from the U.S. EPA serves as a second disapproval notice for the draft Feasibility Study as submitted to the agencies on November 2, 1992. This disapproval is in accordance with Article X of the Administrative Order by Consent. The U.S. EPA sent a disapproval letter dated October 9, 1992 for the first draft of the FS. Comments contained in that letter were either ignored or not fully addressed in the last submittal as specified. Therefore, the enclosed comments submitted with this letter shall be incorporated as specified without deviation. If you have any questions or need further clarification on any of the enclosed comments, please call before the revised document is submitted.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. Bolen", is written over the typed name.

William J. Bolen
